

# Over the Top (Live in Rio)

Motörhead

I think I'm going crazy  
Just about to lose my mind I think I'm going crazy  
Just about to lose my mind You know my woman left me all alone  
Enough to make a man go blind I've got to shut the door behind me  
Go out and buy some highway shoes I've got to shut the door behind me  
Go and buy some highway shoes 'Cause I swear I'm sick and tired  
Singing these Lost Woman Blues Shake it up Woke up this morning  
All my life was broken down Woke up this morning  
All my life was broken down And if I'm gonna find that woman  
I'm gonna have to leave this town Hey Gonna bring her home A bad situation  
Ain't gonna bring me down A bad disputation  
Ain't gonna turn me around I woke up with morning  
All I could do is moan One man use her  
One man abused her  
She took it out  
She took it out  
She took it all out on me
