

# 4 Litres

## Frenzal Rhomb

Sup...  
Comes in a box  
It will fuck you up  
It speaks so softly to you  
tell you to have a sup  
It's moselle, chablis, ros, reisling  
When you think it's gone  
Well you know it's not  
Just blow it up  
Because you know it's all you've got  
It's cheaper than the box it comes in  
4 Litres...  
Choke on number 1  
Retch on number 2  
When four comes around you know that it's all good news  
Only buy claret if it's the last goon in the shop  
4 litres...  
sup the goon  
sup it
