Powerless

Sleepytime Gorilla Museum

Let me give it all to the very small things
That leaves me powerless
I see my face from another time
From another day gone by
(Goodbye)Arrogant and fast
A smile that leaks onto the saddest things
I know I know then what I don't know now
What I'll never know again
Smaller now
PowerlessFinding some shoes
Losing your feet
Finding some food
Losing your teeth
There was a time when the world was mineNow it's yours and I'm powerless
I hear your voice from another time
From a day yet to come
(Here it comes)
