You Took Him Off My Hands

Patsy Cline

You took him off my hands
When you stepped in
You changed everything
We're not even friendsDon't leave the job half done
Leave nothing behind
You took him off my hands
Now please take him off my mindPlease take his photograph
Engraved on my heart so blue
And take all his memories
He now belongs to youDon't leave the job half done
Leave nothing behind
You took him off my hands
Now please take him off my mindPlease take his photograph
Engraved on my heart so blue
And take all his memories
He now belongs to youDon't leave the job half done
Leave nothing behind
You took him off my hands
Now please take him off my mindYou took him off my hands
Now please take him off my mind
