Kavana

Mfeo, baby,
We are, we are...
Mfeo, baby...You know how I love to be with you,
Girl, you know it's true
We go together so good, so good...When you touch me there
When you kiss that way
Baby you just take my breath away
When you move in close
Your skin's on mine
Don't stop, 'cause you're doing it right...[Chorus:]
You, you've turned me around
I can't let you go
I'll make you see we're Mfeo
No matter how long it takes me to show
You've got to believe we're Mfeo...
Mfeo, baby...I don't know how long I've tried to prove
That I'm the one for you,
So don't play games with my mind...When you touch me there
When you kiss that way
Baby you just take my breath away
When you move in close
Your skin's on mine
Don't stop, 'cause we're doing it right...[Chorus:]Blue skies in your eyes I see the feeling
Tell me this, baby, now do you get the meaning?
I love you, love, what you want to do, love?
Sure enuff, sugar pie, we can think of new love
Little bit of this with a touch of your behaviour
You can be my cutie pie, 'cause you've got the flavour
Straight up, no lies, if you got to know,
We will forever be Mfeo...When you touch me there
When you kiss that way
Baby you just take my breath away
When you move in close
Your skin's on mine
Now don't stop, 'cause you're doing it right...
So right...(repeat chorus till fade)
