Heart in Threes

Spendtime Palace

[Verse 1]
At times I can't see
What's two feet in front of me
Something that ain't free
But surely everyone needs
Some time to pick up the days
Or telling to go away
Is sometimes to sometimes
You and me just don't relate

[Chorus 1]
You come and go as you please
And I'll plug my heart on threes
For your way
Don't turn and go away
'Cause sometimes oh some time
Is all that we need for a

[Outro]
You came and left as you pleased
And there tied my heart in threes
And you've been on my taste lately
There's a perfect fix for you and me
Get out that place today
Take a break and take a little
Break
