## Dinosaur Jr.

I've been crawlin' around since I met you  
I've been thinking about how to get you  
It seems only the time that I left you I've been crawlin' around since I met you  
I've been wondering how not to upset you  
To explain and then all that would lead to  
Waste of time  
Waste of time  
Waste of time  
Waste of time Waste of time  
Waste of time  
Waste of time I've been crawlin' around but there's no trust  
It's a shame cause I should get to know us  
There's a strumblin' then that's in focus I don't see no reason  
I don't feel the need to try  
To wonder why you can  
Mix it with the season I don't want to go and step  
When you're so upset again I've been crawlin' around undetected  
It seems only a time for inspection  
To explain it now section by section Waste of time  
Waste of time  
Waste of time  
Waste of time Waste of time  
Waste of time  
Waste of time I've been crawlin' around since I met you  
I've been thinking about how to get you  
It seems only the time that I left you
