## Avail

yes i, yes i'm worried  
they they're lies  
yes i, yes i'm sorry  
that i tried  
but i lay it down too deep  
sometimes for too long  
up for a moment  
than that moment's gone  
and i pray that you know  
i'd bleed for a home  
i got worried  
but won't be long  
so long i took it  
got me down  
but i took it  
stayed out  
stayed out too late for trust  
don't feel sorry  
i'm not worried  
image  
offset  
prize is  
neglect
