Buffalo

Wake Owl

You saw me first
You ran to get out of
My heart and my soul
Keep this
Keep everything trueI wish them well
The devil and those that
Run from my honest face
I'm looking for you
I got myself worlds
To recommend for us
We came like an angel's curse
I'm better you seeI'm buffalo now, I'm
Horses running, I'm
Any thing that you want
As long as I'm freeOh, oh, oh
You want it all for yourself
You want it all for yourself
You want it all for yourself
You want it all for yourself
