## The Cure

Oh I miss the kiss of treachery  
The shameless kiss of vanity  
The soft and the black and the velvety  
Up tight against the side of me And mouth and eyes and heart all bleed  
And run in thickening streams of greed  
As bit by bit it starts the need  
To just let go my party piece Oh I miss the kiss of treachery  
The aching kiss before I feed  
The stench of a love for a younger meat  
And the sound that it makes when it cuts in deep The holding up on bended knees  
The addiction of duplicities  
As bit by bit it starts the need  
To just let go my party piece But I never said I would stay to the end  
So I leave you with babies and hoping for frequency  
Screaming like this in the hope of the secrecy  
Screaming me over and over and over I leave you with photographs, pictures of trickery  
Stains on the carpet and stains on the scenery  
Songs about happiness murmured in dreams  
When we both of us knew how the ending would be So it's all come back round to breaking apart again  
Breaking apart like I'm made up of glass again  
Making it up behind my back again  
Holding my breath for the fear of sleep again Holding it up behind my head again  
Cut in deep to the heart of the bone again  
Round and round and round and it's coming apart again  
Over and over and over And now that I know that I'm breaking to pieces  
I'll pull out my heart and I'll feed it to anyone  
I'm crying for sympathy, crocodiles cry for the love of the crowd  
And the three cheers from everyone Dropping through sky, through the glass of the roof  
Through the roof of your mouth, through the mouth of your eye  
Through the eye of the needle, it's easier for me to get closer to Heaven  
Than ever feel whole again I never said I would stay to the end  
I knew I would leave you with babies and everything  
Screaming like this in the hole of sincerity  
Screaming me over and over and over I leave you with photographs, pictures of trickery  
Stains on the carpet and stains on the memory  
Songs about happiness murmured in dreams  
When we both of us knew how the end always is  
How the end always is How the end always is  
How the end always is

How the end always is  
How the end always is  
Always is, always is
