

A Stranger to Me

[Don Gibson](#)

All the love we once shared together
The things that are now memories
Now when our old friends ask about me about you
I say she's a stranger to me Oh I guess I'm a fool
For still loving you
And my feelings should change
Since you feel like you do I walk down the street where we once walked together
You pass and you don't even speak
What have I done that's made you so bitter
To seem like a stranger to me Oh I guess I'm a fool
For still loving you
And my feelings should change
Since you feel like you do
