

Peter Pan

Kelsea Ballerini

The smile, the charm, the words, the spark,
Everything, you had it
I guess I had a naive heart, 'cause boy,
I let you have it
You said I was your only,
I never thought you'd leave me lonely
You're just a lost boy, with your head up in the clouds
You're just a lost boy, never keep your feet on the ground
You're always gonna fly away, just because you know
you can
You're never gonna learn there's no such place as Neverland
You don't understand
You'll never grow up
You're never gonna be a man,
Peter Pan
Deep down, I knew that you were too good to be true
But every piece and part of me wanted to believe in you
But now it's happily ever never
I guess now I know better
You're just a lost boy, with your head up in the clouds
You're just a lost boy, never keep your feet on the ground
You're always gonna fly away, just because you know
you can
You're never gonna learn there's no such place as Neverland
You don't understand
You'll never grow up
You're never gonna be a man,
Peter Pan
You're just a lost boy, yeah, I know who you are
You don't know what you lost, boy,
You're too busy chasing stars
And you're always gonna fly away, just because you know you can
You're never gonna learn there's no such place as Neverland
You don't understand
You'll never grow up
You're never gonna be a man
Yeah, you'll never grow up
Yeah you're never gonna be a man,
Peter Pan
Never gonna be a man
