

# One More For Love

## Five for Fighting

Baby there's something on my mind tonight  
There's a reason to believe we almost got it right  
There's a fire burning in the firelight  
As we roll on tonight There's paper promises and alibis  
There is certainly uncertainty in all our eyes  
But as long as you are here I'll be all right  
As we roll on tonight So you go out, I'll go on  
If there's a doubt, we'll be strong  
As we go on singing  
One more for love my love  
One more for love There's always blood to fill the heart betrayed  
There are children being born to every house that's raised  
And we're getting closer to where we got it made  
As we roll on tonight So you go out, I'll go on  
If there's a doubt, we'll be strong  
As we go on singing  
One more for love my love  
One more for love I'm never going to wait for anything  
Never going to break for anything  
Cause I am one more for love my love  
One more for love  
One more for love my love Baby there's something on my mind tonight  
There's a reason to believe that we got it right  
And all and all you're all that's on my mind tonight As we roll on One more for love my love  
One more for love
