

See You When I See You

Jason Aldean

Let's don't say goodbye
I hate the way it sounds
So if you don't mind
Let's just say for now See you when I see you
Another place, some other time
If I ever get down your way
Or you're ever up around mine
We'll laugh about the old days
And catch up on the new
Yeah I'll see you when I see you
And I hope it's some day soon God made this whole world round
And maybe it's that way
So the paths we go down
Yeah I will cross again some day
And someday I'll See you when I see you
Another place, some other time
If I ever get down your way
Or you're ever up around mine
We'll laugh about the old days
And catch up on the new
Yeah I'll see you when I see you
And I hope it's some day real soon
I hope it's some day soon See you when I see you
Another place, some other time
If I ever get down your way
Or you're ever up around mine just stop by
We'll laugh about the old days
And catch up the new
Yeah see you when I see you, 'til then my prays are with you
And I hope it's some day soon I'll see you when I see you
