Girl

Far

I am not to blame
I was a little girl
I am still ashamed in a way
But you never said
You were just a little girl
You can always call my nameAll for love
So you said
Out of love
So I fellThings you never said
I was just a little girl
Were you scared or ashamed
Then you took away
My little place in the world
Where I would playAll this time
You will never say
I was just a little girl
Ever again
