

# Girl

## Far

I am not to blame  
I was a little girl  
I am still ashamed in a way  
But you never said  
You were just a little girl  
You can always call my name All for love  
So you said  
Out of love  
So I fell Things you never said  
I was just a little girl  
Were you scared or ashamed  
Then you took away  
My little place in the world  
Where I would play All this time  
You will never say  
I was just a little girl  
Ever again
