

# Tightrope

Kylie Minogue

There's so much I want to share  
For too long I've been too scared  
To show the way I feel for you  
But I know what I have to do  
So I'm just gonna say it, say it  
Love is like a game  
And I'm gonna play it, play it  
I hope you feel the same  
I'm in so deep can't think and I can't sleep  
I'm high up on a tightrope  
And it always leads to you  
(Always leads to you)  
Each day, I find you're always on my mind  
I'm high up on a tightrope  
And I got to get to you  
(Got to get to you)  
Wanna take you by the hand  
When we touch, you'll understand  
That there's a love I can't deny  
And it's too much to keep inside  
So I'm just gonna say it, say it  
Love is like a game  
And I'm not gonna play it, play it  
I hope you feel the same  
I'm in so deep can't think and I can't sleep  
I'm high up on a tightrope  
And it always leads to you  
(Always leads to you)  
Each day, I find you're always on my mind  
I'm high up on a tightrope  
And I got to get to you  
(Got to get to you)  
No more time should pass us by  
Don't ask how I know it  
But this time is made for you and I  
Say it  
Play it  
I'm in so deep can't think and I can't sleep  
I'm high upon a tightrope

And I got to get to, got to get to you  
Each day, I find you're always on my mind  
I'm high up on a tightrope  
And I got to get to you  
(Got to get to you)  
I'm in so deep can't think and I can't sleep  
I'm high upon a tightrope  
And I got to get to, got to get to you  
Each day, I find you're always on my mind  
I'm high up on a tightrope  
And I got to get to you  
(Got to get to you)  
I'm in so deep can't think and I can't sleep  
I'm high upon a tightrope  
And I got to get to, got to get to you  
Each day, I find you're always on my mind  
I'm high up on a tightrope  
And I got to get to you  
(Got to get to you)
