Fall In Love (Dj Kakah Zouk Remix)

Barcelona

We've been on for a minute
No more feeling alone
We're trying hard not to bruise it
I said, "If forever's gonna last then
we'd better find the same direction."I've been gone for a minute
I've been out on the road
And the night got me thinking
Thinking about lying in bed in the dark in the warm and we're nakedI want you for so long
Tell me is it so wrong
Even if we fall in love
Fall in love
I don't wanna hold you down, dear
Trying to make it so clear
Hoping that we fall in love
Fall in loveIt's getting hard not to take it
I wanna ask but I don't
But it's time for me to face it
Keep telling myself run away, run away, run away, don't chase itDon't give up on me, baby
When I stumble along
When I act a little crazy
Remember my love for you won't fade, won't fade, you keep it blazingI want you for so long
Tell me is it so wrong
Even if we fall in love
Fall in love
I don't wanna hold you down, dear
Trying to make it so clear
Hoping that we fall in love
Fall in loveWhen you hold on to me
When you let me in
You better know that I got you
Under my skin
Ooh, you got me restless
I can't sleep alone
You better be waiting
'Til I get homeI want you for so long
Tell me is it so wrong
Even if we fall in love
Fall in love
I don't wanna hold you down, dear

Trying to make it so clear
Hoping that we fall in love
Fall in love
