# Souls

## Project Pitchfork

the sun rises every morning
but why are we so sure
I'm looking out of the window
empires (arise) and fall
we've been so long together
forgotten hopes and pleasure
but when the time is right
we'll open our hearts
and disclose the treasure
so there are you
and here am I
let's realize our dream
the time is right
try to read between the lines
we've been running
over battlefields
from century to century
nothing wrong nothing right
there was no day, there was no night
we took every painfull step
life for life and side by side
but finally look around
some are lost and some are found
lass' die erinnerung erwachen
I love you
so here are you
and here am I
let's realize our dream the time is right
I'm still waiting for you
... observe the world and think ...
