## Project Pitchfork

the sun rises every morning  
but why are we so sure  
I'm looking out of the window  
empires (arise) and fall  
we've been so long together  
forgotten hopes and pleasure  
but when the time is right  
we'll open our hearts  
and disclose the treasure  
so there are you  
and here am I  
let's realize our dream  
the time is right  
try to read between the lines  
we've been running  
over battlefields  
from century to century  
nothing wrong nothing right  
there was no day, there was no night  
we took every painfull step  
life for life and side by side  
but finally look around  
some are lost and some are found  
lass' die erinnerung erwachen  
I love you  
so here are you  
and here am I  
let's realize our dream the time is right  
I'm still waiting for you  
... observe the world and think ...
