

Humbleness

Alborosie

Humbleness for the kingdom princess
oh yea yea yea well
Well Humbleness is proof of your intellect
if your humble
And you wise you will get respect
a man who cherish intellect
no need to fret you live,
you learn, you die, you move
You make another step,
some people blind because of there position
some people blind
Because of money situation
some people think politics
not there obligation
some others live there life in a frustration
some people ever win and then cant take defeat
Some people live behind yet
buy the pasta and just eat
I choose to live my life like a Jah apprentice
cause Iam a true spiritualist, well

Humbleness true righteousness
most the bowy a go Next well then
Humbleness his majesty awareness
yo yo for the kingdom princess, well
Humbleness true righteousness
most the bowy a go next well then
Humbleness his majesty awareness
yo yo for the kingdom princess, well

I keep my feet down to earth
and me head pon me shoulders
me natta kill a bowy
but Me still a Jah Jah soldier
the teachings and the wisdom
are in the eyes of the beholder
the other dem get colder
i am not afraid of dem plans
i am not afraid of dem pistol

Iam reading dem minds
like you see through a crystal
rastafari judgment powerful
And never partial
the thing a gets crucial well then

Humbleness true righteousness
most the bowy a go Next well then
Humbleness his majesty awareness
yo yo for the kingdom princess oh

Me put meself togethda
so da red is no ganna wash me away so
me put me faith inna you
Father me still have a long way to go
