

# My Hands Are Lifted Up (feat. Worship)

## Benjamin Cone, III

My hands are lifted up  
My heart is ready to receive  
A blessing from you  
A blessing from you

Break me  
Make me  
Shape me  
Mold me

My heart is ready to receive  
A blessing from you  
A blessing from you

A blessing from you  
A blessing from you  
A blessing from you  
A blessing from you
