

# Freaky If You Got This Far

**Van Morrison**

Freaky, freaky,  
If you got this far.  
You came a long way,  
But you're freaky  
And we can do something with you.  
If you got this far  
You should be freaky,  
You should be freaky.  
If you got this far  
We'll put you in a jar  
And sell you  
As a freak.  
We think you're freaky,  
Two, two, three.
