

Where's the Path

Where's the path?

Music and Lyrics by: Charly Sahona

 Lost is the one
 Who sees no guiding light.
Pushing away all the love and hopes.
 Like the angel you pray for,
 Mine is always on the run,
Singing to me: one day you'll love again.
 Where's the path
 To the other side ?
 Where's the path
 For that new life ?
 I can still hear,
 Your whispers saying â€œwhy?â€•
Drifting apart from enchanted land .
 This soul can't fade away,
 You can feel it all the time .
It guides you in every single note you play.
 Unraveled dreaming ,
 I hold in my heart.
 Can't stop the quest
 Of an eager man .
 The wheel of fortune
Will turn again, I know .
 As day turns to night.
