# Until Then (i Imagine)

## Jill Scott

I'm your kitty cat
Love what we do
I have got a taste of every thought of you
You're so strong and so pure
Come and dip your tongue and I want some more
Talk strong, daddy
Control your girl
Oh, yea you got it
You're so feral
You leave me in a frenzied state
And I can't wait until then I imagine

[Chorus]
I imagine myself on my knees
Waiting for you to come over and see me
I imagine myself on my knees
Waiting for you to come over and need me
I imagine myself on my knees
Waiting for you to come over and feed me
I imagine myself on my knees
Waiting for you to come over and free me

I'm your lioness in the jungle babe
And I'm hungry now
And it's you I crave
I drink you're mind, suga
Consume your soul
'Cause you give permission for me to let go
Oh, oh, oh, oh oh, oh
Where you going
I don't know and
But you take me to another place
And I can't wait until then I imagine

[Chorus]

When I need to feel sexy
When I need to put it on
Oh baby

All I gotta do it recall

Do me real quiet daddy
Just like that
Let me know where you're head's at
Feelin' that
Confidence is key
Not every man can handle a woman just like me
I can be with you all of me
So let's sit down and then freaky
'Cause when I blackout
And then I come back
You still meet me in the eye
And you're still hittin' that
Oh, oh, oh, oh, oh
Hey

[Chorus]

What I need, for real
When I need to put it on
All I gotta do is be gone
All I gotta do is recall

That shit is nice
