I'll Be There

Boyzone

Day and night, I'm thinking of you
With a heart that is true
Only you can have the feeling, too
Always and forever it's you
And the things that you do
No need to fear
Or lose your way
Something special, I'll say
I'll say it to you, I will
Don't you know that its true
At the end of the day
I promise you
I'll be there, when there's no one else to turn to
I'll be there, when you need someone to hold you
I'll be there, when the dark of night surrounds you
I'll be there [unverified]
Deep inside I suddenly knew
It had to be you
Oh, I tried to stay, stay away
The dream I had was never to be
All I could see
There inside
My foolish pride
Something special, I'll say
I'll say it to you, I will
Don't you know that it's true
At the end of the day
I promise you
I'll be there, when there's no one else to turn to
I'll be there, when you need someone to hold you
I'll be there, when the dark of night surrounds you
I'll be there [unverified]
I'll be there, when there's no one else to turn to
I'll be there, when you need someone to hold you
I'll be there, when the dark of night surrounds you
I'll be there [unverified]
