Waiting In the Wings

Saga

Sometimes it isn't so easy
To have a mind of your own
I can imagine why sometimes
You lose control
Don't treat me like a stranger
I can help you more than you know
I'll just wait until you feel like
Letting go
[Chorus]
You're never alone
I'll be right here waiting
I'll be here, I won't disappear
I'm waiting in the wings
You're never alone
If you need something
I'm out of view but I'm watching you
Waiting in the wings
You've got a lot of secrets
Don't keep them all to yourself
You can trust all of your feelings
And I'm the one you can tell
It's not a sign of weakness
You don't have to stand alone
You know you'll never have to
Do it on your own
[Repeat Chorus]
Sometimes it isn't so easy
To have a mind of your own
I can imagine why sometimes
You lose control
[Repeat Chorus]
