## Cracker

Sweet thistle pie  
Sweet thistle pie It's been a long time since I had sweet thistle pie  
It's been a long time since I had sweet thistle pie  
She claps her hands and snaps her fingers  
Knows my name but calls me ginger  
It's been a long time since I had sweet thistle pie Hey hey hey yeah  
Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie It's been a long time since I've been so very low  
It's been a long time since I've been so very low  
When I was young you were no stranger  
Around the world and slip through my fingers  
It's been a long time since I've been so very low Hey hey hey yeah  
Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie  
Sweet thistle pie
