

King of Swing

Big Bad Voodoo Daddy

When you feel your bones a shakin,
and your temperature is risen,
and the groove begins to move you,
it's the King of Swing....

'King of Swing'

When you see those fires' burnin,
and your fever is a risin

An the drums begin a poundin

It's the King of Swing...

'King of Swing'

'King of Swing'

'King of Swing'
