

# Finally (Tiger Stripes Remix)

CeCe Peniston

Finally finally yeah yeah oww  
Finally it has happened to me right in front of my face and  
I just can not hide it  
Meeting Mr. Right, the man of my dreams  
The one who shows me true love or at least it seems  
With brown cocoa skin and curly black hair  
It's just the way he looks at me that gentle loving stare  
Finally you've come along  
The way I feel about you it just can't be wrong  
If you only knew the way I feel about you  
I just can't describe it, oh no no  
Finally it has happened to me right in front of my face  
My feelings can't describe it  
Finally it has happened to me right in front of my face and  
I just can not hide it  
Finally it has happened to me right in front of my face  
My feelings can't describe it  
Finally it has happened to me right in front of my face and  
I just can not hide it  
It seems so many times you seemed to be the one  
But all he ever wanted was to have a little fun  
But now you've come along and brightened up my world  
In my heart I feel it, I'm that special kinda girl  
Finally you've come along  
The way I feel about you it just can't be wrong  
If you only knew the way I feel about you  
I just can't describe it, oh no no  
Finally it has happened to me right in front of my face  
My feelings can't describe it  
Finally it has happened to me right in front of my face and  
I just can not hide it  
Finally it has happened to me right in front of my face  
My feelings can't describe it  
Finally it has happened to me right in front of my face and  
I just can not hide it  
Finally, oh finally yeah yeah , oh finally finally yeah yeah oww  
Finally finally yeah yeah  
oww  
Finally finally yeah yeah oww  
Finally finally yeah yeah oww  
Finally finally yeah yeah oww, finally  
Finally you've come along  
The way I feel about you it just can't be wrong  
If you only knew the way I feel about you  
I just can't describe it, oh no no  
Finally it has happened to me right in front of my face  
My feelings can't describe it  
Finally it has happened to me right in front of my face and  
I just can not hide it  
Finally it has happened to me right in front of my face  
My feelings can't describe it
