

# Fortress Europe

## NFS Underground

Keep bangin' on the wall  
Keep bangin' on the wall  
Of Fortress Europe2022, a new European order  
Robot guards patrolling the border  
Cybernetic dogs are getting closer and closer  
Armored cars and immigration officersA burning village in Kosovo  
You bombed it out, now you're telling us go home  
Machine guns strut on the cliffs of Dover  
Heads down, people look out, we're going overBurnin' up, can we survive re-entry  
Past the mines and the cybernetic sentries  
Safe European homes built on wars  
You don't like the effect, don't produce the causeThe chip is in your head, not on my shoulder  
Total control just around the corner  
Open up the floodgates, time's nearly up  
Keep banging on the wall of Fortress EuropeKeep banging  
Keep banging on the wall  
Of Fortress EuropeWe got a right, know the situation  
We're the children of globalization  
No borders, only true connection  
Light the fuse of the insurrectionThis generation has no nation  
Grass roots pressure the only solution  
We're sitting tight  
'Cause asylum is a rightPut an end to this confusion  
Dis is a 21st century Exodus  
Dis is a 21st century ExodusBurnin' up can we survive re-entry  
Past the land mines and cybernetic sentries  
Plane, train, car, ferry boat or bus  
The future is bleeding coming back at usThe chip is in your head not on my shoulder  
Total control around the corner  
Open up the floodgates, time's nearly up  
Keep banging on the wall of Fortress EuropeKeep banging  
Keep banging on the wall  
Of Fortress EuropeDis is a 21st century Exodus  
Dis is a 21st century ExodusThey got a right, listen not to de scaremonger  
Who doesn't run when they're feel the hunger  
From where to what to when to here to there  
People caught up in red tape nightmareBreak out of the detention centers  
Cut the wires and tear up the vouchers  
People get ready it's time to wake up

Tear down the walls of Fortress Europe
