

Down by Law

Rage

Oh, help me, I must reach the border
Oh, I run from the keepers of order
Oh, they have locked me up just for nothin'
Oh Help me, I'm down by law
Help me, I'm down by law
Watch out, they're at your door
Help me, I'm down by law There's no chance to defend
When power is in wrong hand Me, I come out of dirt, I got nothin'
Oh no, the cops they were lookin' for a fight
Oh and I'm a victim of denunciation
Oh Help me, I'm down by law
Help me, I'm down by law
Watch out, they're at your door
Help me, I'm down by law My fortune is a plight
Where's law, there's no right, yeah Oh, ah, ah Kill this bastard
Hunt him to death
Oh, have mercy
No, you won't be free Now I'm a criminal subject
Oh, why, my life's a mess, no turnin' back?
Oh just because arbitrariness rules this land
Oh Help me, I'm down by law
Help me, I'm down by law
Watch out, they're at your door
Help me, I'm down by law Down by law
Down by law
Down by law
Down by law
