

Dreaming

Tay Walker

As I open my eyes
Iâ€™m afloat in the sky
And I look over
A bird lands on my shoulder
It starts to talk to me
And Then i start to breathe heavily
Am I still alive
Or have I lost my mind
Then I start to fly
Through these purple skies
Then I start to fall again
Cause then I see hundred million dollar bill
Then I bought the world
Diamonds golden pearls
It all belongs to me but I donâ€™t realize that itâ€™s all a dream
Itâ€™s all a dream
Itâ€™s all a dream
Itâ€™s all a
Itâ€™s all a
Tell me if Iâ€™m dreamin
I must be dreaming
Tell me if Iâ€™m dreamin
Itâ€™s all a
Tell me if Iâ€™m dreamin
Itâ€™s all a
When I looked in the mirror
I should see myself
But there was no one there
Then the wall started to melt
Then I heard a voice
I never heard before
She said donâ€™t worry boy
Stop living life in a hurry boy
I yell out who are you
But no ones replying
She lingers behind me
Whispers in my ear
Come try and find me
Then I turn around to see

That there's no living soul around with me
Wonder what it all should mean
Am I still awake or is it all a dream
It's all a dream
It's all a dream
It's all a
It's all a
Tell me if I'm dreamin
I must be dreaming
Tell me if I'm dreamin
It's all a
It's all a
Now tell me what does it mean
Tell me what does it mean
Must be just a dream
Seems so real I don't know what to think
Tell me what does it mean
Tell me what does it mean
Does it mean
Must be just a dream seems so real don't know what to think
