

People Need Love

ABBA

People need hope, people need loving
People need trust from a fellow man
People need love to make a good living
People need faith in a helping hand
Man has always wanted
A woman by his side to keep him company
Women always knew that
It takes a man to get matrimonial harmony
Everybody knows that
A man who's feeling down wants some female sympathy
Gotta have love to carry on living
Gotta have love till eternity
People need hope, people need loving
People need trust from a fellow man
People need love to make a good living
People need faith in a helping hand
Flowers in a desert
Need a drop of rain like a woman needs her man
If a man's in love and his woman wants the moon
Then he'll take it down if he can
Somebody who loves you and somebody who cares
Isn't that what you call a friend?
Gotta have love to carry on living
Isn't it easy to understand?
People need hope, people need loving
People need trust from a fellow man
People need love to make a good living
People need faith in a helping hand
People need hope, people need loving
People need trust from a fellow man
People need love to make a good living
People need faith in a helping hand
