

The Closer I Get to You

[MYMP](#)

The closer I get to you
The more you'll make me see
By giving me all you got
Your love has captured me Over and over again
I try to tell myself that we
Could never be more than friends
And all the while inside
I knew it was real
The way you make me feel Lying here in your arms
Time just seems to fly
Needing you more and more
Let's give love a try Sweeter and sweeter love grows
And heaven's there for those
Who fool the tricks of time
With hearts of love define
True love
In a special way The closer I get to you
The more you make me see
By giving you all I've got
Your love has captured me Over and over again
I try to tell myself that we
Could never be more than friends
And all the while inside
I knew it was real
The way you make me feel Closer I get to you
(Closer I get to you)
Feeling comes over me
(Feeling comes over me) We're going closer and sweeter as gravity
The closer I get to you
