Getting Better

Bob Schneider

Well, I'm drivin' down town in my big red Cadillac
Sippin' on ice wine, mixin' it with Similac
Feelin' the amazing flow
Of centuries in the after glowSettin' my stereo for nothin' but the big beats
Windows open sound of the city streets
Blowin' through the night like a tiger in a movie
Feeling kind of groovyAnd it's
(La, la, la)
Oh, it's getting better now
(La, la, la)
Can almost forget how
(La, la, la)
It's a big beautiful day
(La, la, la)And nothin' standin' in my way
(La, la, la)
Oh, its getting better now
(La, la, la)
I can almost forget how
(La, la, la)
Bee's they all sing her name
(La, la, la)Holdin' in the world and the world is full of love
Everything I feel is coming from above
Feelin' the amazing flow
Of centuries in the after glowWidow weeds and crows and ice chests
Stacked up to the T V, I don't wanna forget
The way I feel whenever she's around
I've gotta say it now, I've gotta make a sound like(La, la, la)
Oh, it's getting better now
(La, la, la)
Can almost forget how
(La, la, la)
It's a big beautiful day
(La, la, la)
Nothin' standin' in my way
(La, la, la)Oh, its getting better now
(La, la, la)
Can almost forget how
(La, la, la)
Bees they all sing her name

(La, la, la)
Never gonna be the same
(La, la, la)La, la, la
La, la, la
La, la, laOne hundred forty thousand years ago
When I was a wide eyed buffalo
Sky up above breathin' by
Calamity Jane my, oh, myNothing matters explosions in the eastern plain
Jackhammers wrapped up in the Novacaine
My what a girl, can't forget about
All the Angels they are singing with me now(La, la, la)
It's getting better now
(La, la, la)
Can almost forget how
(La, la, la)
Oh, it's a big beautiful day
(La, la, la)
Nothin' standin' in my way
(La, la, la)Oh, its so better now
(La, la, la)
Can almost forget how
(La, la, la)
All the birds sing her name
(La, la, la)
And nothing gonna be the same
(La, la, la)La, la, la
La, la, la
La, la, la
