

# What Happens at the Party

## LMFAO

Party Rock just don't stop,  
Grab a freak to the beat  
And let ya body rock Party Rock just don't stop,  
Grab a freak to the beat  
And let ya body rock Party Rock just don't stop,  
Grab a freak to the beat  
And let ya body rock Party Rock just don't stop,  
Grab a freak to the beat  
And let ya body rock I be, I be, on it, (that a\*\*) I be on it,  
I be on it, (that a\*\*), I be on it  
I be, I be, on it (that a\*\*) I be on it  
I be on it, (that a\*\*) I be on it One, two, three to the four, I'm dancin' with as many super freaks as possible  
You can't change the spots on a leopard  
In the club, the homies call me Redfoo Hefner We like them girls that party  
Them girls that shake their body  
Them girls that ain't afraid to jump on stage and be somebody  
And that's what I'm talkin' about  
Two girls on the couch mouth to mouth! What happens at the party stays at the party  
What happens in the club stays in the club  
Put yo glasses to the sky, damn I'm so high  
And she's so fine, I be on it all night long! What happens at the party stays at the party  
What happens in the club stays in the club  
Put yo glasses to the sky, damn I'm so high  
And she's so fine, I be on it all night long! I be on it, (that a\*\*) I be on it,  
(Shake that a\*\*) I be on it, (that a\*\*), I be on it  
(Shake that a\*\*) I be on it (that a\*\*) I be on it  
(Shake that a\*\*) I be on it, (that a\*\*) I be on it  
(All night long) Girls, girls, girls and Goose!  
I gotta girlfriend but what's the use  
When ya, some how some way  
Keep messin' with fine a\*\* women like every single day  
They wanna play I say okay  
Make the booty clap, they obey  
I freak girls to death  
D'girls outta breath?  
Got me screamin' you would think I'm OJ! L-M-F-A-O came to make you lose control  
Bring ya fine a\*\* on the floor and drop it low  
Girl we a secret society, all we ask is trust  
We recruit pretty ladies and the a\*\* is a must! What happens at the party stays at the party

What happens in the club stays in the club  
Put yo glasses to the sky, damn I'm so high  
And she's so fine, I be on it all night long! What happens at the party stays at the party  
What happens in the club stays in the club  
Put yo glasses to the sky, damn I'm so high  
And she's so fine, I be on it all night long! I be on it, (that a\*\*) I be on it,  
(Shake that a\*\*) I be on it, (that a\*\*), I be on it  
(Shake that a\*\*) I be on it, (that a\*\*) I be on it
