

# Christmas Time Is Here

**Brian Mcknight**

Well the snow is beginning to fall  
And the day of Thanksgiving has come and gone  
Silver bells begin to ring  
Hear little children sing  
Silent Night was never just a song

Stockings are hung by the chimney with care  
It's the most wonderful time of the year  
Ice cream castles in the sky  
There is happiness in their eyes  
'Cause Christmas time is here

Ring a ding-ding Wrapping presents  
Hearts reflect the fire's glow  
I have you underneath the mistletoe  
And all is fine  
Fall down like rain upon me  
Give me something I can feel  
So then I'll know  
Then I'll know this is for real

Stockings are hung by the chimney with care  
It's the most wonderful time of the year  
Ice cream castles in the sky  
There is happiness in their eyes  
'Cause Christmas time yes  
Christmas time yes  
Christmas time is here
