Reason

Ian Van Dahl

I think its time
To talk to you
I think its time
To realise
Where is the loveAre we gonna
Stay together
Or is it time
To say goodbye
Where is the love(Chorus)
Give me a reason
To hold on to
What we've got
Must be a reason
To hold on to
What we've gotTime has come
To set
Things right
Is it worth
Another fightTell me the truth
Is there
Something on
Your mind
Tell me what you
Hide inside
Tell me the truth(Chorus)x2Are there things
That i should
Know, will
You stay or
Will you go
Where is the loveTell me is there
Hope inside
Gotta read
Between the
Lines, Where is
The love(Chorus)x2
