

# Real Love (I Got It)

George Huff

Stop searchin', no need lookin' around  
Got what you need, stop foolin' around  
Everything you need, I already found  
And it's so lovely I can't wait for you to see  
How this love has changed my life, my life  
Make me wanna change wrong from right, from right  
And I love it I just wanna share it  
I promise that you won't regret it  
You been searchin' for a long, long time  
You looked there but not here and I will bet if  
You have this love in you  
You'll be tellin' everybody, like I'm tellin' you  
Real love, real love, I got it and I gotta shout it  
And let everybody know about it  
Real love, real love, I got it an' I'm so glad I found it  
And I won't let it go  
Real love, real love, I got it and I gotta shout it  
And let everybody know about it  
Real love, real love, I got it an' I'm so glad I found it  
And I won't let it go  
I used to be you, lookin' and searchin'  
Just tryin' to find something true  
That's why you should listen and stop trippin'  
'Cause I know what you been missin'  
What's good for you, oh, that's why you need this love  
'Cause one thing I promise you will never get caught up  
'Cause this love is so beautiful  
It will change your life and make everything alright  
You been searchin' for a long, long time  
You looked there but not here and I will bet if  
You have this love in you  
You'll be tellin' everybody, like I'm tellin' you  
Real love, real love, I got it and I gotta shout it  
And let everybody know about it  
Real love, real love, I got it an' I'm so glad I found it  
And I won't let it go  
Real love, real love, I got it and I gotta shout it  
And let everybody know about it  
Real love, real love, I got it an' I'm so glad I found it  
And I won't let it go  
I want you to know the truth  
You need to know the truth  
You want change, it will bring  
Everything that's missing you too  
Real love, real love, I got it and I gotta shout it  
And let everybody know about it  
Real love, real love, I got it an' I'm so glad I found it  
And I won't let it go  
Real love, real love, I got it and I gotta shout it  
And let everybody know about it  
Real love, real love, I got it an' I'm so glad I found it

And I won't let it goReal love, real love, I got it and I gotta shout it  
And let everybody know about it  
Real love, real love, I got it an' I'm so glad I found it  
And I won't let it goReal love, real love, I got it and I gotta shout it  
And let everybody know about it  
Real love, real love, I got it an' I'm so glad I found it  
And I won't let it goReal love real, I won't let it go  
Real love real, I won't let it go  
Real love real, I won't let it go  
Real love real, I won't let it go
