Making them ooh aah soundsSo shawty lay right down

Just get is started know exactly what 2 do  
Sensual symphony from me and u, and u , and uWith every up and down  
Playing your body like the strings of a Spanish guitar  
I know you inside out  
Were making music now x2All night long  
Till the break of dawn  
U and I will be making them ooh aah sounds  
Like ooh ooh ooh ooh  
Like aah aah aah aahAll night long  
Till the break of dawn  
U and I will be making them ooh aah sounds  
Like ooh ooh ooh ooh  
Like aah aah aah aahSlide your fingers down my neck  
climax take 20 then we start another set  
My swaggers hella when I break this down  
Like acapella take the instrument out out outWith every up and down  
Playing your body like the strings of a Spanish guitar  
I know you inside out  
Were making music now x2All night long  
Till the break of dawn  
U and I will be making that ooh aah sounds  
Like ooh ooh ooh ooh  
Like aah aah aah aahAll night long  
Till the break of dawn  
U and I will be making that ooh aah sounds  
Like ooh ooh ooh ooh  
Like aah aah aah aahOoh ooh ooh ooh  
Like aah aah aah  
Making them ooh aah soundsOoh ooh ooh ooh  
Like aah aah aah  
Making them ooh aah soundsWith every note that we sing  
Cant help but noticing  
Were perfecting our love song  
And no one else got rhythm like we do  
Like we doAll night long  
Till the break of dawn

U and I will be making that ooh aah sounds  
Like ooh ooh ooh ooh  
Like aah aah aah aahAll night long  
Till the break of dawn  
U and I will be making that ooh aah sounds  
Like ooh ooh ooh ooh  
Like aah aah aah aahRepeat till fade
