Forgive Me Twice

Brian McFadden

I know I've lost you
Now what can I doI don't have an answer
Words could not erase it
I could try but it's so useless
In the end they're just excusesWho have I been fooling
It seems it's only been myself
Thinking you'd forgive me twice
I'm the only one who's guilty
And now I'll have to pay the price
For thinking you'd forgive me twice
Oh wouldn't it be niceYou know I really love you
So what can I do?Guess I've run out of chances
And you've run out of reasons
To take me back but even she knew
My heart's made to only love youWho have I been fooling
It seems it's only been myself
Thinking you'd forgive me twice
I'm the only one who's guilty
And now I'll have to pay the price
For thinking you'd forgive me twice
Oh wouldn't it be niceThings might never be the same
And I'm the one to blame
I'm sorry babyI swore I'd never hurt you
But that's exactly what I've done
Thinking you'd forgive me twiceYou know I really love you
You know I really love you
