

# Ultra Stimulation

Finley Quaye

Nobody knows her  
Nobody knows her at all  
And I ain't wondering why  
I love that girl at all Love, love, love  
Love that girl at all Hey, hey, yeah  
Ultra stimulation  
Satta vibration  
Ultra stimulation  
Vital vibration Anybody's music  
Any dance at all  
She just loves that dancing music Late, late, late  
Late not dancing hall What you say?  
Ultra stimulation  
Satta vibration  
Ultra stimulation  
Vital vibration Well, if you're up and if you up we live it up  
Well, if you're up and if you up we leave you up  
Well, if you're up and if you up we give it up  
Well, if you're up and if you up we leave you up She will guide I will follow  
And she test all the swallow  
And she cook up a fire  
And she take it up stronger Anybody's music  
Any dance at all  
She just loves that dancing music Late, late, late  
Late not dancing hall Hey, hey, hey  
What you say? Ultra stimulation  
Satta vibration  
Ultra stimulation  
Vital vibration Ultra stimulation  
Satta vibration  
Ultra stimulation  
Vital vibration
