Since Last Wednesday

Highasakite

He would never do grafitti or vandalize that house
And he would never be caught spray painting on that person's wallBut no one has seen or heard from him since last Wednesday 2x
Oh oh oh oh..And he would never buy a weapon and bring it to our home
And he would never be foolish and lie about that nowBut no one has seen or heard from him since last Wednesday
Oh oh oh oh..But no one has seen or heard from him since last WednesdayHold me forward is one option but not the only oneBut no one has seen or heard from him since last WednesdayCall me forward is one option but not the only oneBut no one has seen or heard from him since last WednesdayOh oh oh oh...
