

Don't Mind

Altmodisch

 baby i love you?
 (love you, love you)
 when i leave
 do you think about me?
 when you're gone
 i can't wait till you get home, home, home
 you were wrong
 so was i
 so what are we gonna do?
 so tonight
 i'm a try
 whatever you wanna do
 it's up to you
 and that's why i
 don't mind
 saying i
 love you
 and that's why i
 don't mind
 saying i
 love you
 and that's why i
 don't mind
 saying i
 love you
 and that's why i
 don't mind
 saying i
 love you
 they have tried, yeah
 to get what yours and what's mine
 (they can't have what's mine)
 but it would take a lifetime
 to get between you and i
 they were right
 love is blind
 i can't see nothin but you
 so tonight
 i'm a try whatever you wanna do

it's up to you
and that's why i
don't mind

saying i
love you
and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you
and that's why i
don't mind
saying i
love you

we might fight, sometimes we disagree
you're not right but that's alright with me
love it when you're calling out my name

baby i'm a do the same

i ain't scared to let you know
i would never let you go
you're the only one i need

baby come to me

and that's why i

don't mind

saying i

love you

and that's why i

don't mind

saying i

love you

and that's why i

don't mind

saying i

love you

and that's why i

don't mind

saying i

love you

saying i love you

is giving you strength to
break my heart ooh

but i'm trusting you not to
