Take Over

Nick Jonas

I can tell that you're a real bad girl

Underneath it all (ay)

You never wanna let me see the world outside

Don't let it show (ay)This is her only chance

Let it happen

Can't hatch me if you canLet your money talk

Your dirty thoughts for me

Take over, take over

Like the crazy drug that you call 'Love Me'

Take over, take over (say)Na nana nana nana (say)

Na nana nana nana (say)

Na nana nana nana (say)

Take over, take over, take overI wish that I could just read your mind

Tell me what I see (ay)

You always try to wear your disguise

Take it off of me (ay)This is her only chance

Let it happen

Can't hatch me if you can, ohLet your money talk

Your dirty thoughts for me

Take over, take over, take over

Like the crazy drug that you call 'Love Me'

Take over, take over (say)Na nana nana nana (say)

Na nana nana nana (say)

Na nana nana nana (say)

Take over, take overI know you understand

That I want you to stand

Right wherever I am (ay)I know you understand

That I want you to stand

Right wherever I am (ay)This is her only chance

Let it happen

Can't hatch me if you can, oohLet your money talk

Your dirty thoughts for me

Take over, take over

Like the crazy drug that you call 'Love Me'

Take over, take over, take over (say)Na nana nana nana (say)

Na nana nana nana (say)

Na nana nana nana (say)

Take over, take over
