

Rebel Heart

Madonna

I've lived my life like a masochist
Hearing my father say,
'Told you so, told you so!
Why can't you be like the other girls?'
I said, 'Oh no, that's not me
And I don't think that it'll ever be'
Thought I belong to a different tribe
Walking alone, never satisfied, satisfied
Trying to fit in but it wasn't me
I said, 'Oh no, I want more
That's not what I'm looking for'
So I took the road less traveled by
And I barely made it out alive
Through the darkness somehow I survived
Tough love, I knew it from the start
Deep down in the depth
Of my rebel heart
I've spent some time as a narcissist
Hearing the others say,
'Look at you, look at you!
Trying to be so provocative'
I said, 'Oh yeah, that was me'
All the things I did just to be seen
Outgrown my past and I've shed my skin
Letting it go and I'll start again, start again
Never look back, it's a waste of time
I said, 'Oh yeah, this is me
And I'm right here where I wanna be'
I said, 'Hell yeah, this is me
Right where I'm supposed to be'
So I took the road less traveled by
And I barely made it out alive
Through the darkness somehow I survived
Tough love, I knew it from the start
Deep down in my rebel heart
So I took the road less traveled by
And I barely made it out alive
Through the darkness somehow I survived
Tough love, I knew it from the start
Deep down in the depth
Of my rebel heart
Of my rebel heart
In my rebel heart
