

# The No. 1 Song In Heaven

## Sparks

This is the no. 1 song in heaven  
Written, of course, by the mightiest hand  
All of the angels are sheep in the fold of their master  
They always follow the Master and His plan  
This is the no. 1 song in heaven  
Why are you hearing it now, you ask  
Maybe you're closer to here than you imagine  
Maybe you're closer to here than you care to be  
This is the no. 1 song in heaven  
Written, of course, by the mightiest hand  
All of the angels are sheep in the fold of their master  
They always follow the Master and His plan  
This is the no. 1 song in heaven  
Why are you hearing it now, you ask  
Maybe you're closer to here than you imagine  
And maybe you're closer to here than you care to be
