

# Treaty

## Leonard Cohen

I've seen you change the water into wine  
I've seen you change it back to water too  
I sit at your table every night  
I try but I just don't high with you  
I wish there was a treaty we could sign  
I do not care who takes this bloody hill  
I'm angry and I'm tired all the time

I wish there was a treaty, I wish there was a treaty between your love and mine  
Ah, they're dancing in the street  
it's jubilee

We sold ourselves for love but now we're free  
I'm so sorry for that ghost I made you be  
Only one of us was real and that was me  
I haven't said a word since you been gone  
That any liar didn't say as well  
I just can't believe the static coming on  
You were my brown, my safe and sound

You were my Ariel  
Ah, the fields are crying out it's jubilee

We sold ourselves for love but now we're free  
I'm so sorry for that ghost I made you be  
Only one of us was real and that was me  
I heard the snake was baffled by his sin  
He shed his scales to find the snake within  
But born again is born without a skin  
The poison enters into everything
