

# Wanderlust

R.e.m.

Looks like I pulled a fast one  
Looks like I went to town  
Looks like the world revolves around me  
Looks like it's falling down.

I thought I'd kicked the traces  
I thought the wheels would spin  
I thought I'd jumped the fence and bolted  
Looks like I'm back again

I got my signals crossed.  
It's overwhelming because  
I'm all alone and I can't get back  
Get back with my wanderlust.

I had to grab a suitcase  
I had to change my clothes  
I had to run the shower hot  
Until the water froze

I brushed against confusion  
I wanted time to grow  
I want the sticks and stones not to throw me  
Get back to what I know

I got my signals crossed.  
It's overwhelming because  
I'm all alone and I can't get back  
Get back with my wanderlust.

I'm searching for a greatness  
I smear it on my face  
I want to bathe in grape must  
Swim the length of the milky way  
I want it to be brilliant  
I want it to be sweet  
I want to kiss the astronauts  
When they salute to me me me me

I got my signals crossed.

It's overwhelming because  
I'm all alone and I can't get back  
Get back with my wanderlust.

I got my signals crossed.  
It's overwhelming because  
I'm all alone and I can't get back  
Get back with my wanderlust.
